**PHILIPS**  
sense and simplicity

Halogen candle bulb  
28W (40W) E14 Warm white

# Specifications

## Technical specifications

- Shape: Candle
- Wattage: 28 W
- Wattage standard bulb: 40 W
- Fitting/Cap: E14
- Voltage: 240 V
- Lifetime of lamps: 2 year(s)
- Lifetime of lamps: 2000 hour(s)
- Color rendering index (CRI): 100

- Dimmable
- Color temperature: 2800 K
- Energy efficiency label: C
- Lamp dimension (height): 99.5 mm
- Lamp dimension (width): 36 mm
- Mercury content: 0 mg
- Starting time: instant start s
- Lumen: 346 lm
- Light effect: Clear

871829121966800

# Highlights

## Energy efficient

All Philips energy savers save energy from the moment you turn the switch. During their lifetime they use fewer kW and thus also result in a lower energy bill. The level of energy saving differs per lamp type and technology.

## Carbon footprint

Energy savers reduce the amount of energy in your home, which results not only in a lower energy bill, but also in less carbon (CO<sub>2</sub>) output by your energy supplier. Together we make this a better world to live in.

## Bright sparking lighting

Clear halogen is a sparkling light, giving beautiful reflections where it shines, and sharp shadows where it doesn't. Gives a decorative light effect to your room, to bring your room to life.

## Best dimmability

This lamp can be used in combination with all dimmers and will not only turn down the light to 0% but also create a cosy atmosphere as you are used to with your incandescent.

## Classic shape

These lamps are designed to look like a traditional incandescent bulb, candle, lustre or spot. Similar look and feel, but a smarter investment.

## Instant start

Immediate light when switched on: that is the promise of our instant starting energy-saving lamps.
